JOINT STATUS REPORT

Further to the Court's October 20, 2011 Order, the parties hereby provide a Joint Status Report concerning United States v. Stryker Biotech, LLC, et als., 09-10330-GAO (the "Stryker Case"):

1. On December 16, 2010, the parties in the Stryker Case had a Status Conference before Judge O'Toole. At that Status Conference, Judge O'Toole set the case for trial on November 7, 2011, and scheduled a motion hearing at 2:00 pm on February 3, 2011 for the seven pending motions to dismiss filed on various issues by various combinations of the defendants. A motion hearing was held that day and the parties await the Court's rulings on the various motions. On July 6, 2011, the government filed an assented-to motion to dismiss one count in the Indictment in the Stryker Case, namely Count 16.

2. At a status hearing on September 15, 2011, Judge O'Toole reset the Stryker Case for trial on January 9, 2012 and denied, without prejudice, the various motions to dismiss, with the exception of the motion to dismiss Count 16, which was mooted by the government's assented-to motion to dismiss that count.

3. On October 11, 2011, a grand jury returned a Superseding Indictment. Trial remains

set for January 9, 2012.
